Dear Bill:

Many thanks for the copies of my portrait. They were perfect gifts--the face that only a father and/or wife could love! Seriously, they were very attractively framed and I am most appreciative.

Mr. Herbert Hetu,
Director of Public Affairs
I am also happy Herb Hetu admired your tie. I can think of a great many places where it will be most appropriate.

Bill, it was good seeing you again--many thanks for taking the time to come by.

Yours,

Stansfield Turner
